MOTORRAD**

A man and a woman are standing against a textured, light-colored wall. The woman, on the left, has long blonde hair and is wearing a white long-sleeved shirt with black horizontal stripes on the sleeves and black pants. She is leaning against the wall and looking towards the man. The man, on the right, has a beard and short brown hair, and is wearing a blue denim jacket over a dark shirt. He is looking back at the woman.

MAKE LIFE A RIDE

HERITAGE COLLECTION

The first BMW motorcycles shared a no-nonsense, genuine character with their riders. A character that's perfectly captured by the Heritage Collection. Inspired by iconic BMW Motorrad elements, reduced to the essentials, and infused with historical references. The distinguished status of our factory in Berlin is also reflected in the striking "Berlin Built" insignia. These are new classics to enjoy every day.
